**SUMMARY OF THE REASONS FOR DECISION:**

The DVD entitled *Private Beach Bitches* is classified as:  
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

This classification is primarily due to the manner in which the publication deals with matters of sex, in the form of explicitly depicted sexual activity that is intended to sexually arouse the viewer.

The main component of the DVD is a feature that has previously been examined and classified as a video recording. The video recording entitled *Beach Bitches* (publication reference number 9901705) was classified as objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years. This classification decision was registered on 8 October 1999. The version of the feature on this DVD has been verified as being identical to the video version.

Along with the feature, the DVD contains a number of additional moving image and still components. The manner in which matters of sex are treated within these extra components is comparable to the feature, so there is no reason to give the DVD version a different classification to the video recording.
